Primetimers' Target Ministry Goals

GVBC Primetimers provide seniors, adults, family, and community members with opportunities to interact, build, and nurture Christian relationships and times of fellowship while traveling to/from destinations of common interest.

- Primetimers is a Target Ministry and the sponsoring organization for the tours.
- There is no age requirement to travel with GVBC Primetimers. Church member and community members are welcome. Please free to invite your friends to join the tour.
- We usually go during the week day, which is a work day for those of you who work. This will require you take a vacation day(s) to travel with us.

This year (2026), we are planning on booking 3 One Day tours:

- Behind the Scenes: Intuit Dome - Home of the LA Clippers
- Jet Propulsion Laboratory
- George Lucas' Museum (Opening in September)

Once the tours are booked, we will provide flyers with the information regarding the tour, date, time, cost of the tour, and payment due date.

After the flyer comes out, you may sign up on the **Interest List** to reserve a space(s). If you decide you are unable to go on the tour, please let us know so we can take your name off the list.

The price of each tour is based on the minimum number of travelers (20) required to go on a tour. A minimum of 20 travelers is needed per the tour. If a tour doesn't reach the minimum number of participants (20), the tour will be cancelled.

Gold Coast Tours offer various price points depending on the number of travelers. If we qualify for a decrease in price, travelers will be refunded the difference on the tour's departure day.
