7:00-9:00 P.M.

Location: Gardena Valley Baptist Church
1630 W 158th St, Room 201

Monday, July 6 - Seminar #1

SEVEN SIGNS OF CHRIST'S RETURN

How to live in light of His Coming

Tuesday, July 8 - Seminar #2:

HOPE OF HEAVEN AND HEARTACHE OF HELL

These seminars emphasize eschatology (the study of the end times). The focus on Christ's return, heaven, and hell serves as a wake-up call for spiritual readiness. We will explore how these profound truths impact every individual—no matter where you are on the journey of faith. Christ's return provides ultimate hope, ultimate accountability, and the final renewal of all creation. The promise of His return is an open invitation and urgent appeal to all to open the door of their hearts.
